FROM: Greg Truckenmiller, Dean of Arts and Sciences 
Diana Putnam, Dean of Business, Technology & Health Professions 

RE: FM ANGEL Course Management System

DATE: October 24, 2008

According to our records, you are registered in a blended or a web-based course for an upcoming semester at Fulton-Montgomery Community College (FMCC). Effective Spring 2009, FMCC utilizes the SUNY Learning Network (SLN) Angel Platform for all credit courses that are blended and web-based. In order to participate in your online course, you will need to log on to the SUNY Learning Network using the following URL:

Go to <http://fmcc.sln.suny.edu>

Once you've logged on, you will be ready to login to your Angel account using a username and password following the instructions that appear below. This process should be completed prior to the first day of classes.

An Angel platform orientation will be available on **January 14th** in the FMCC Student Development Center. Details are included on the back of this memo. If you've never used the SUNY Learning Network Angel Platform before, we strongly encourage you to attend the orientation.

Login Instructions

What is my Username?

Your Username is composed of your **first name.last name-FMC** (e.g. Suzy.Student-FMC). The Username is constructed from the official information that exists on the FMCC registration system. Suffixes such as Jr. or III are included without spaces or punctuation (e.g. John Student Jr. would have the username John.StudentJr-FMC). Special characters such as apostrophes are also removed (e.g. Sally O'Neill would have the username Sally.ONeill-FMC).

What is my password?

The initial password for your account is created from a combination of the letters FMC plus the last four digits of your social security number and your birth date in an 8 character format. For example, if your social security number is 555-55-5555 and your birthday is January 1, 1990, then your password is FMC555501011990.

After the initial login you will be forced to change your password. Choose a password that is easily remembered, or write the password down in a secure location. If you logged onto the FMCC ANGEL site during the Fall 2008 semester, your password is **not** reset, rather it will be the password you selected during your initial login.

If you forget your password call the SLN Help Desk at **1-800-875-6269**; they will be able to reset your password. If you provided an email address when you set up your preferences in ANGEL initially, you can click on the link provided and your password will be sent to that email address.

Need help getting started?

- You may call the SLN Help Desk at **1-800-875-6269** for assistance.
- **ATTEND A WEB COURSE ORIENTATION**

DATE: WEDNESDAY, JANUARY 14, 2009

LOCATION: FMCC STUDENT DEVELOPMENT CENTER
N-107

TIME: 2:00 p.m. OR 6:00p.m.

CONTACT: MaryJo Ferrauilo-Davis, Director of Advisement,
Counseling and Testing
Student Development Center, N-107
(518) 762-4651 ext. 4708

This orientation has been developed to provide you with a hands-on demonstration of the SLN Angel Platform as well as provide information, tips, and success strategies for online learning.

Good luck with your studies!
